Upon the dissolution of the Partnerships, on or about February 24, 2014, shares of DMP Resource Class will be distributed to limited partners. In the interim, investors in the Partnerships can determine a value for their holdings in DMP Resource Class by multiplying the number of units they held in CMP 2012 and Canada Dominion 2012 by 60.4652 and 1.7497 shares of DMP Resource Class, respectively. The derived net asset value per unit of the Partnerships will continue to be available on the website of Goodman & Company, Investment Counsel Inc. ("GCICI") (www.goodmanandcompany.com) until the dissolution of the Partnerships.

DMP Ltd., an open-ended mutual fund corporation, offers multiple classes of mutual fund shares, including DMP Resource Class. Each class of shares constitutes a separate mutual fund (each a "DMP Fund"), the DMP Resource Class being one of the DMP Funds. DMP Resource Class is managed by 1832 Asset Management L.P. ("1832") and sub-advised by GCICI. The multiple class structure of DMP Ltd. allows investors to switch between the DMP Funds on a tax-deferred basis and reposition their investment portfolios to meet their individual investment requirements.
